Subject: RE: Confluence Room request for
BAER Den

Thanks Darren!

I tentatively plan to kick off at 0800 on
Tuesday the 9th. I will get an agenda out
later this week. If there is a time of
day that works well for you, I can slot
you in then. I hope to get through the
basics in the AM, so we can get an
initial field look at the fire in the PM.
So sometime mid-morning would be good if
that works for you.

I'd also like to schedule the IC and/or
Ops if they're available to get us a fire
overview and team guidelines for working
safely on the incident. I was told there
would be a transition this week, so once
the new (local?) team is in place, it
would be good to get them on board too. I
made contact with fire information
yesterday, but still not sure who I
should talk to for the invitation to the
meeting. If you can help with that at
all, I'd be grateful.

I plan to draft a leader's intent letter
this week for Tracy or Holly's signature.
If you have items you'd like to include,
I can do that. I've attached a sample
BAER letter of intent as an example.

Thanks, and I look forward to working
with your great District folks and our
out-of-town experts to get you a useful
and timely BAER assessment.

Thanks Fred,
The Confluence is the only suitable space
we have outside of the multi-purpose
room. It's yours.
What time do you think you'll have the
kickoff meeting on the 9th?
I would like to be on the agenda to give
leaders intent.

Subject: RE: Confluence Room request for BAER Den

Darren, Shane -

Just to confirm ## the Confluence Room is a go for the BAER den? The BAER team would be most grateful if we could inhabit it from Tue. 10/9 through (probably) Monday 10/15. (We'll try not to go into hibernation there :&.)

We are thinking the assessment will take about 7 days, and we should be ready for a closeout presentation Monday or Tuesday (10/15 or 16)), if you'd like to tentatively calendar that.

We will do everything we can to meet the District's expectations. I hope to get an incident briefing this week, and also would be happy to host the Ranger or any District staff who would like to attend our kickoff meeting on Tuesday, 10/9. If you would like to present your view of the fire, values at risk and post-fire concerns, we can provide information regarding the BAER assessment objectives and process. If you'd like to be on the agenda, and have a preferred time, let me know.

I will be in contact with the incident team this week, and hope to come up to the District for some briefing. Please get in touch if you have any questions or topics of concern.

Thanks, Fred

It seems logical. The MPR is going to be full with the Type 3 team during this time period.
